Three Days' Holiday Coming Causes Dullness on Market-Standard Oil Holds Well Last Day.

New York, Aug. 31—Stock of the Standard Oil Company celebrated the last day of its existence in Wall street to-day by advancing \$15 a share, but losing \$5 a share of this gain before the close of the session. All dealings in the stock were for cash, to-day being the last day that the stock could be transferred. Hereafter all Standard Oil Stock traded in will be "ex subsidiaries," which means that the purchaser of the subsidiary companies. There was a pid in the market to-day of 116 for Standard Oil stock, "ex subsidiaries," and as asked price of 550, but no trades were consummated on this basis, owing to the inability of the insiders of the company with the specialists in the stock to tix even an approximate value of the stock will standard. Oil stock "ex subsidiary companies. The work of making out certificates of the subsidiary companies. The work of making out certificates of the Standard Oil stock shall be subsidiary companies. The work of making out certificates of the Standard Oil company at New Jersey will take from two to three of the stock were strong throughout the declining the company of the concern as to whether they can be concerned to the concern as to whether they can be concerned to the concern as to whether they can be concerned to the concerned the co panies. The work of making out certificates of the subsidiary companies in the names of persons now holding stock of the Standard Oil Company of New Jersey will take from two to three months owing to the fact that the shares of thirty-five new companies will be distributed.

Owing to the forthroming holiday of three days, and a desire to swait the outcome of the conference between officials of the Harriman lines and representatives of their employes, speculators.

To J. D. Glennan, for two two-story brick dwellings at 18% and 18% New Jersey avenue northwest; architect, A. H. Ecers; builder, J. D. Glennan, for two two-story framed with regard to the formation of a plan for readjustment of the company's countries.

To J. D. Glennan, for two two-story framed with regard to the formation of a plan for readjustment of the company's countries.

To F. C. Brinley, to erect two-story frame dwelling at 180 Delafied place porthwest; architect, Thomas G. Igle-hart; builder, J. R. Iglehart; estimated cost, \$2,000.

ficials of the Harriman lines and representatives of their employes, speculators and investors were less active. Trading was dult throughout the session, and the little business transacted represented the covering operations of shorts, who were apprehensive lest some favorable development occur helween the close of business to-day and the opening next Tuesday. The quiet bidding for the short account advanced Standard issues an average of a point early in the day.

TRADE AND FINANCE

One hundred and thirty-seven shares of stock and one bond tell the tale of the day's business on local exchange yesterday. A block of 100 shares of Washington Railway and Electric common at 441-2 was the only feature of the day, if such can be called a feature. The other sales of stock were made in four transactions. Three of them were Washington Railway and Electric preferred at 38, three were Mergenthaler at 228-5, one share of the same security brought 230, and the rest of it was thirty shares of Provident Savings Bank at 5, the only bank security sold.

The single bond was a 11,000 Washington Gas, 5 per cent, and it was sold after call for 1001-4. Washington Railway and Electric com

Millions in Mines. One of the largest deals in Coeur

One of the largest deals in Coeur d'Alene mining properties consummated this year has been completed by the Federal Mining and Smelting Company, which has taken a bond for \$400,000 on the Cleveland mine properties, adjoining the Standard-Mammoth stroup, taken over by the Federal company some years ago at a figure of about \$3,000,000.

rdinary expenditures over ordinary recelpts during the month of August has been alightly more than E.500,000, while for the period from July 1 the excess has been nearly \$22,00,000. The receipts from the safe of Pannama Canal bonds have been E3,189,161, all of which was

nave been \$55,08,104, all of which was received in July. This, of course, wipes out the better part of this deficit. The Treasury at present shows an ex-cess of all expenditures over all receipts of a little more than \$10,000,000 during the ess of receipts over expenditures during

this portion of the fiscal year of a lit-tle more than \$2,00,00. The working balance of the Treasury is about \$1,00,00. The balance in banks and in the treasury of the Phillippine Islands is about \$1,00,000.

Opening Up Colorado.

That the Missouri Pacific will in the tuture direct its immigration activites toward Eastern Colorado is the an-nouncement by J. M. Anderson, of St. Louis, immigration agent of the road. Heretofore the Missouri Pacific has spent much money toward settling Ar-kansas and Southern Missouri. Twentyfive million dollars, recently appropriated by the directors of the road to improve the system, will be spent in the West to a large extent.

Paint Dealers' Gathering.

An important convention to be held in Richmond, Va., during the coming season will be that of the National Paint, Oil, and Varnish Association, which will hold its twenty-fourth annual session at the Jefferson Hotel on October 3, 4, 5, and 8.

establishments, one of which is owned by a resident proprietor, and four are branches of other breweries.
